3.5 Form Tutors and class teachers

Form tutors and class teachers are responsible for recording attendance for both morning and afternoon sessions on a daily basis, using the correct codes (see Appendix 1), and saving the information onto our MIS software SIMS.

- Form tutors should ensure SIMS registers are saved before the bell rings at 9:00am
- Class teachers should complete and save their registers within 10 minutes of the lesson starting.

3.6 School office staff

School admin/office staff will:

- Take messages from parents/carers about absence on a day-to-day basis and record it on the school MIS system

3.7 Parents

Where this policy refers to a parent, it refers to the adult the school and/or local authority decides is most appropriate to work with, including:

- All natural parents, whether they are married or not
- All those who have parental responsibility for a child or young person
- Those who have day-to-day responsibility for the child (i.e. lives with and looks after them)

Parents are expected to:

- Make sure their child attends every day and every lesson on time
- Use the school website or EduLink to report their child's absence before 8:45am on the day of the absence and each subsequent day of absence, and advise when they are expected to return <https://www.stpetershigh.com/contact/pupil-absence-reporting/>
- Provide the school with more than 1 emergency contact number for their child
- Ensure that, where possible, appointments for their child are made outside of the school day
- Keep to any attendance contracts that they make with the school and/or local authority
- Not to book family holidays during term time
- Seek support, where necessary, for maintaining good attendance, by contacting the appropriate Head of Year <https://www.stpetershigh.com/contact/contact-details/> or Behaviour and Attendance Manager who can be contacted via the main reception on 0161 248 1550. Contact details are also on our website.

3.8 Pupils

Pupils are expected to:

- Attend school every day, on time
- Attend every timetabled session, on time

4. Recording attendance

4.1 Attendance register

We will keep an electronic attendance register, and place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark, using the appropriate national attendance and absence codes from the School Attendance (Pupil Registration) (England) Regulations 2024, whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made

See Appendix 1 for the DfE attendance codes.

We will also record:

- Whether the absence is authorised or not
- The nature of the activity, where a pupil is attending an approved educational activity
- The nature of circumstances, where a pupil is unable to attend due to exceptional circumstances

The school day starts at 8:45am and ends at 3:15pm. However, Year 11 students are expected to attend a period 6, which finishes at 4:15pm on a Monday to Thursday (subject to change).

Pupils should aim to arrive for 8:35am, giving them adequate time to get to their form class or assembly.

4.2 Unplanned absence

The pupil's parent must notify the school of the reason for the absence on the first day of an unplanned absence by 8:40am or as soon as practically possible, by using the 'Pupil Absent Reporting' page of the school website or using EduLink.

<https://www.stpetershigh.com/contact/pupil-absence-reporting/>

We will mark absence due to illness as authorised, unless the school has a genuine concern about the authenticity of the illness.

4.3 Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent notifies the school in advance of the appointment using the 'reporting absence' page of the school website or using EduLink. **This is where evidence of appointments can be uploaded.**

We encourage parents to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

4.4 Lateness and punctuality

A pupil who arrives late:

- Before the register has closed will be marked as late, using the appropriate code
- After the register has closed will be marked as absent, using the appropriate code

If a student arrives at school later than 9:00am, they will be given an immediate 30-minute same-day detention at lunch, unless there is a valid reason.

4.5 Following up unexplained absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- Phone the pupil's parent on the morning of the first day of unexplained absence to ascertain the reason. There will be follow up calls and messages sent until contact is made on the first day.
- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained
- If contact is not made on the first day, a home visit will be conducted the following day
- Where appropriate, offer support to the pupil and/or their parents to improve attendance
- Identify whether the pupil needs support from wider partners, as quickly as possible, and make the necessary referrals
- Where support is not appropriate, not successful, or not engaged with, the school will consider implementing Manchester City Council's Policy on using a penalty notice or other legal intervention.

4.6 Reporting to parents

The school will regularly inform parents (see definition of 'parent', as used in this policy, in section 3.7 above) about their child's attendance and absence levels via the school's Interim Progress Report and the Profile report. Attendance of a child can also be tracked 'live' using the EduLink App.

5. Authorised and unauthorised absence

5.1 Approval for term-time absence

The headteacher will allow pupils to be absent from the school site for certain educational activities, or to attend other schools or settings.

The headteacher will only grant a **leave of absence** to a pupil during term time if the request meets the specific circumstances set out in the [2024 school attendance regulations](#). These circumstances are:

- Taking part in a regulated performance, or regulated employment abroad
- Attending an interview
- Study leave
- A temporary, time-limited part-time timetable
- Exceptional circumstances

A leave of absence is granted at the headteacher's discretion, including the length of time the pupil is authorised to be absent for.

Leave of absence will not be granted for a pupil to take part in protest activity during school hours.

As a leave of absence will only be granted in exceptional circumstances, it is unlikely a leave of absence will be granted for the purposes of a family holiday.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant background context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible, at least 2 weeks before the absence, and in accordance with any leave of absence request form, accessible via our school website.

<https://www.stpetershigh.com/parents/exceptional-absence-during-term-time/>

The headteacher may require evidence to support any request for leave of absence.

Other valid reasons for **authorised absence** include (but are not limited to):

- Illness (including mental-health illness) and medical/dental appointments (see sections 4.2 and 4.3 for more detail)

- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parent(s) belong(s). If necessary, the school will seek advice from the parent's religious body to confirm whether the day is set apart
- If the pupil is currently suspended or excluded from school (and no alternative provision has been made)

Other reasons the school may allow a pupil to be absent from the school site, which are not classified as absences, include (but are not limited to):

- Attending an offsite approved educational activity, sporting activity or visit or trip arranged by the school
- Attending another school at which the pupil is also registered (dual registration)
- Attending provision arranged by the local authority
- Attending work experience
- If there is any other unavoidable cause for the pupil not to attend school, such as the school premises are closed

5.2 Sanctions

Our school will make use of the full range of potential sanctions – including, but not limited to, those listed below – to tackle poor attendance. Decisions will be made on an individual, case-by-case basis.

Penalty notices

The headteacher (or someone authorised by them), local authority or the police can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age, by issuing a penalty notice.

If the school issues a penalty notice, it will check with the local authority before doing so, and send it a copy of any penalty notice issued.

Before issuing a penalty notice, the school will consider the individual case, including:

- Whether the national threshold for considering a penalty notice has been met (10 sessions of unauthorised absence in a rolling period of 10 school weeks)
- Whether a penalty notice is the best available tool to improve attendance for that pupil
- Whether further support, a notice to improve or another legal intervention would be a more appropriate solution

Each parent who is liable for the pupil's offence(s) can be issued with a penalty notice

The payment must be made directly to the local authority, regardless of who issues the notice. If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

If issued with a **first** penalty notice, the parent must pay £80 within 21 days, or £160 within 28 days.

If a **second** penalty notice is issued to the same parent in respect of the same pupil, the parent must pay £160 if paid within 28 days.

A **third** penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of the issue of the first penalty notice. In a case where the national threshold is met for a third time within those 3 years, alternative action will be taken instead.

6. Strategies for promoting attendance

At St. Peter's we use a variety of strategies for rewarding, incentivising and improving attendance – for example, celebrating good attendance in assemblies or on displays.

Below are a few examples on incentives and rewards that we use for good attendance:

- Praise Post cards
- Texts sent home
- Real time attendance shared via EduLink
- Praise assemblies
- 12-Days of Christmas attendance raffle
- Easter Extravaganza raffle

For an up-to-date overview, please look on the school's website

<https://www.stpetershigh.com/about/attendance/>

7. Supporting pupils who are absent or returning to school

7.1 Pupils absent due to complex barriers to attendance (IS/KH)

Parents, the Attendance and Behaviour manager and the SENCO will meet to identify the barriers to good school attendance. If appropriate, the child's views will also be gathered.

An attendance contract may be put in place to support progress towards improved attendance.

External Interventions may be offered: referrals to Primary Behaviour Support, Educational Psychologist, CAMHS, Early Help/Family Support Services

8. Attendance monitoring

Attendance is monitored across the school by a range of stakeholders. We have devoted Attendance and Behaviour Manager who use online tools to monitor attendance and patterns in pupil absence.

Our school target for attendance is 97%+. Absence not only results in lost learning time results in lost learning time, but absentees also miss out on the extra-curricular activities and events that make the school experience so enjoyable.

At St. Peter's, we believe excellent attendance and punctuality are vital in helping students achieve their best. Students should be at school, on time and ready to learn, every day the school is open,

unless the reason for absence is unavoidable. All research shows that students who attend well achieve well.

It is the expectation of the school that all students will achieve at least 97% attendance. We will closely monitor your child's attendance and alert you if we feel there is an issue. Where attendance is an issue, school undertakes a wide range of measures to support students and families. Where we fail to see an improvement in attendance, it may be necessary to make a referral to an appropriate external agency to ensure the student receives the support required to bring about an improvement.

Attendance Category	% Attendance
Outstanding	100%
Good	At or above 97%
Stage 1: Concern	Between 91 and 96%
Stage 2: Serious Concern Government category of Persistently Absence.	At or below 90%
Stage 3: Government category of Severely Absence	At or below 50%

8.1 Monitoring attendance

The school will monitor attendance and absence data (including punctuality) half-termly, termly and yearly across the school and at an individual pupil, year group and cohort level.

Specific pupil information will be shared with the DfE on request.

The school has granted the DfE access to its management information system so the data can be accessed regularly and securely.

Data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics.

The school will benchmark its attendance data at whole school, year group and cohort level against local, regional, and national levels to identify areas of focus for improvement, and share this with the governing board.

8.2 Analysing attendance

The school will:

- Analyse attendance and absence data regularly to identify pupils, groups or cohorts that need additional support with their attendance, and
- Identify pupils whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence
- Conduct thorough analysis of half-termly, termly, and full-year data to identify patterns and trends
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

8.3 Using data to improve attendance

St Peter's will:

- Develop targeted actions to address patterns of absence (of all severities) of individual pupils, groups or cohorts that it has identified via data analysis
- Provide targeted support to the pupils it has identified whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence, and their families (see section 8.4 below)
- Provide regular attendance reports to form tutors, to facilitate discussions with pupils and families, and to the governing board and school leaders (including special educational needs co-ordinators, designated safeguarding leads and pupil premium leads)
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies
- Share information and work collaboratively with other schools in the area, local authorities and other partners where a pupil's absence is at risk of becoming persistent or severe, including keeping them informed regarding specific pupils, where appropriate

8.4 Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school. Reducing persistent and severe absence is central to the school's strategy for improving attendance.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Consider potential safeguarding issues and, where suspected or present, address them in line with Keeping Children Safe in Education
- Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable or at risk of persistent or severe absence, or who are persistently or severely absent, to:
 - Discuss attendance and engagement at school
 - Listen, and understand barriers to attendance

- Explain the help that is available
- Explain the potential consequences of, and sanctions for, persistent and severe absence
- Review any existing actions or interventions
- Provide access to wider support services to remove the barriers to attendance, in conjunction with the local authority, where relevant
- Consider alternative support that could be put in place to remove any barriers to attendance and re-engage these pupils. In doing so, the school will sensitively consider some of the reasons for absence
- Implement sanctions, where necessary (see section 5.2, above)

9. Monitoring arrangements

This policy will be reviewed as guidance from the local authority and/or DfE is updated. At every review, the policy will be approved by the full governing board.

10. Links with other policies

This policy links to the following policies:

- Child protection and safeguarding policy
- Behaviour policy
