

GCSE Results 2020 Information

Summary

The information below answers questions you might have about your results. If you are still unsure about your results do not hesitate to contact school.

How were my grades decided?

The school submitted centre assessed grades (CAG's). These were what your teachers thought you would have achieved had you sat the exam. They also submitted a rank order of pupils for each subject. Teachers used information such as coursework, PPE's, assessments, general records and performance throughout the course to decide your grade and rank.

Can I appeal my grade(s)?

A pupil **can** ask their centre to appeal to an awarding body if there is **evidence** that leads a candidate to believe:

- the centre made an **administrative error** when submitting their centre assessed grade/rank data
- the awarding body made an **error** calculating/assigning or communicating their grade

If you wish to appeal or are concerned about bias, discrimination or any other factor that suggests the centre did not behave with care or integrity when determining your centre assessed grade/rank order please contact examqueries@stpetershigh.com to arrange for an appointment with a member of the senior leadership team. Appeals must be submitted **by the school** to the Exam Board before **17th September 2020**.

A pupil **cannot**:

- appeal against their centre assessed grade/rank or the process used to calculate these
- appeal directly to an Exam Board

Can I take my exams another time?

All GCSE's (**not** BTEC or CNAT- Cambridge Nationals) are being offered in a one off 'Autumn Series' in November 2020.

If you wish to enter yourself for any autumn exams you **MUST** do the following by the deadlines:
