Headteacher: Mr S Gabriel BSc., MSc., MBA.

Dear Parent / Carer

### Re: Covid-19 LFT testing of pupils in school

Following the recent increase in Covid-19 cases in the St Peter's school community and following a request from the Department for Education we intend to reinstate Lateral Flow Testing (LFT) on a small scale on the school site from 12<sup>th</sup> July 2021.

We ask that you continue to test your child twice weekly at home and notify school should this test prove positive.

To support this project please complete the consent form by [clicking this link](#). We cannot test your child without you completing this form electronically. **Please complete this consent form by 8pm on Tuesday 7<sup>th</sup> July 2021.**

Could you please also answer the two questions at the bottom of the questionnaire.

I would urge you to take part in this testing. The more cases we find, the better chance we have at stopping it spreading. You may have recently completed a similar form but we now need to capture a whole school picture. I thank you for your cooperation and would like to take this opportunity to say thank you for working with us.

Yours sincerely

S Gariel  
Headteacher
